

## RACE MEET 2021 NEWS

The Horsemen's entrance to the grounds is moving this year! Horsemen will then be stopping for a check in process like was done at Colonial Downs in the past. If paperwork is not complete, horsemen will not gain access to the grounds. The entrance will now be the main entrance on Ox Road. The back gate will be closed. Please follow the signs.

If you did not submit Coggins for the horses that were listed on your racing application, please email, regular mail or fax these as soon as possible. Horsemen that have not submitted all required paperwork, may be denied entrance to the grounds.

We will once again be providing straw for bedding and hay for the horsemen's use. If you choose not to use what is provided, the cost of whatever you use will be at your expense.

All purse checks for Shenandoah Downs, including stipend payments, will be made by direct deposit this year. This will be the only method of payment for all owners, trainers and drivers. If you completed the forms last year, **AND NOTHING HAS CHANGED**, you must complete the Purse Authorization form. If you did not complete the W9 form and Direct Deposit forms last year, you must complete them and return them either by email, regular mail or fax. Trainers please make your owners aware of this requirement. Forms are available on our website under the *Race Meet* tab.

The Virginia Racing Commission has recently changed the rules concerning the use of Clenbuterol. Please check this change and all medication rules before racing at Shenandoah Downs. A link to the medication withdrawal times can be found on our website on the *Race Meet* tab.

If you have any questions about any of this information, please contact Debbie Warnick at 443-463-0917.
